Headteacher message

Where has the first week gone? The children have been amazing and already produced some fantastic work and projects. In Foxes Class they saw the start of some amazing monster trucks being constructed and in Squirrels Class it went all mystical as I believe the children were learning to make potions. I'm sure that is not part of our school curriculum! In Ducklings they were enjoying making some very sticky playdough and I'm sure I spotted the Hedgehogs Class hunting for monsters. Owls Class got sticky with Marshmallows - Lots of fun was being had by all.

Also a quick reminder that it is the village show and village scarecrow competition on Sunday 15th September. The PSA have very kindly agreed to provide tea and coffee and I am sure there will even be a few yummy cakes on offer. The children in school have chosen a piece of art work to display in the show.

It is again time to vote for our House Captains who will form our School Council. I would like to thank all last year's House Captains for their hard work and for helping to make our new PE uniform become a reality. Don't all the children look smart in their new PE tops? The vote will be held during a house assembly on Friday the 13th September. If your child is interested in the role of House Captain, we ask them to prepare a short presentation to explain what they think they could bring to the role and the ideas they have to improve an element of the school. Unfortunately, no matter how often I am asked I'm afraid we can't have a swimming pool. Sorry!

I have included all the upcoming dates for the Autumn term that I currently have. I am aware and appreciate that many of you need time to arrange child care or time off work, so I will endeavour to give you as much notice as I can and only change the dates if absolutely necessary. I realise that Harvest is close to the beginning of term but I hope you will be able to join your child's celebrations.

After school clubs are available to book online with R&D Coaching –

Thank you for your continued support and I hope you all have a good weekend!
