

PE UPDATE

6th September 2024

A warm welcome back to school after what I hope has been an active, fun and enjoyable summer holiday for you all. Below you can find your child's / children's PE curriculum subjects for the upcoming half-term along with their PE days going forward. This week each class has had an introduction back to PE lesson where we discuss our expectations of PE along with talking about all of the fun we're going to have within PE this year. Thank you for ordering the new PE tops, the children have looked very smart and professional this week and they have enjoyed a new style of PE top too.

Pre-school & reception (Tuesdays & Wednesdays) – Introduction to PE unit 1 & Balls skills unit 1

Reception (Tuesdays & Wednesday) – Introduction to PE unit 1 & Balls skills unit 1

KS1 – (Monday & Wednesday) – Fundamentals Unit 1 & Ball skills unit 1

LKS2 – (Tuesday & Wednesday) – Fundamentals Unit 1 & Tag Rugby

UKS2 – (Mondays & Wednesday) – Fitness & Tag Rugby

House Teams

This year we have changed the house teams. Each year we have students that leave us at the end of year 6 and then have a new cohort of children joining us in September. To ensure that each house has a similar amount of students in across all year groups we have needed to adjust house teams. Not all students will have been moved into a new house but each house will have a completely different set of children within it. This is something that myself and Mrs Bailey take great care and time on. Every child's needs are taken into consideration. If you have any enquires about your child's new house, please don't hesitate to contact me.
