### Part A: Curriculum music

Pinchmill Primary School offers a diverse music curriculum that includes singing, drumming, ukulele, ocarina and exploration of many more musical instruments. Pinchmill use a spiral curriculum and meets the requirements of the Model Music Curriculum (MMC) through the adoption of the Kapow on-line music scheme. The scheme is delivered from EYFS- year- 6 by class teachers. Currently, children receive a weekly 1-hour class music lesson from years 1-6 and weekly assemblies where they sing and listen to music.

#### Potential next steps:

Consider incorporating more diverse listening/appraising into the curriculum to broaden students' exposure of genres and traditions. Children to have daily exposure to a wide variety of musical composers and genres, this to be done by having each class be given a composer of a half term.

Implement a structured system for tracking individual student progress and achievements in music to provide personalised support and recognition.

Use pupil voice to develop the planning of the subject.

Create more live music opportunities.

Start a school choir/ vocal ensemble.

### [Part B: Co-curricular music](#)

At Pinchmill Primary School, co-curricular music opportunities include weekly whole school singing assembly and the option for children to book group and individual music lessons for guitar provided by the Bedford Music Hub for a subsidised fee.

#### Potential next steps:

We will continue to promote children learning instruments from Y1-Y6. We will develop our working relationship with Bedford Music Hub to access any more opportunities they have to offer. We will also provide children with a space where they can rehearse or practise individually or in groups.
