

PE UPDATE

4th October 2024

Sports Captains 2024

On the 3rd October (Thursday) I interviewed students that had applied to become a Pinchmill Sports Captain for this school year. All the students took time to prepare for, five questions that were asked during the interview. We also gave the students the opportunity to share their ideas for how we could improve what we offer within PE and school sport at Pinchmill Primary. After the interview stage myself and Mrs Bailey sat to discuss each candidate. After careful consideration we have picked two students from each house which also include a student from year 3&4 and year 5&6 from each house. We would like to announce and congratulate the following students who have been successful in becoming our new sports captains!

Red House : Daniel & Monty **Green House : Rosa & Felix** **Blue House : Ella & Hunter** **Yellow : Mabel & Florence**

I look forward to working with our sports captains to continue our positive PE journey that has been created over the last few years. Well done again to those eight students. Have a fantastic weekend. Mr Phelan
