Excite, Inspire, Engage, Achieve

11/10/24

Dear Parents

Following on from our amazing visit to Hazard Alley in Milton Keynes the Education Team Leader has contacted us about a funded workshop that is being carried out in Schools.

Knife Crime Intervention Workshop Thursday 17th October 2024

The Safety Centre is the region's leading and the world's first interactive, immersive, and memorable safety education charity, specialising in teaching early intervention and prevention education to children. Our unique charity has decades of experience and has made a vital difference to many families- because knowledge is power! In the past two years, we at the Safety Centre, have educated and empowered more than 14,500 9-11yr olds about knife crime and the lifetime impact of choices they make. Our Knife Crime Programme has been developed for Year 5 and Year 6 by our Education Team at the Safety Centre, who are qualified teachers and experienced educators.

The classroom-based workshops last 75 minutes and the content is age-appropriate, interactive, and valuable addressing the challenging topic of knife crime in a sensitive way, through a variety of activities. Please see the attached for more information.

If for any reason you do not wish for your child to take part in this workshop please let Mrs Bailey know as soon as possible or email the office at enquiries@pinchmillprimary.co.uk

Kind Regards

Mrs Victoria Bailey

Head Teacher
